## Additional disclosure notes\*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

### 1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2022-23 was £8.82 per elector.

In 2022-23, the Council made payments totalling £\_\_\_\_\_ under section 137. These payments are included within 'Other payments' in the Accounting Statement.

## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **Llangyniew Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### Basis of Qualification

#### Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The former Clerk to the Council failed to maintain proper accounting records. In particular, the former Clerk failed to retain invoices to support expenditure and retained no payroll records.
- The Council did not provide adequate explanation of variances between the 2021-22 and 2022-23 accounts. In particular, the former clerk's salary increased significantly during 2022-23.
- The reported value of fixed assets (line 12) is materially different to the value recorded in the Council's asset register

#### Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 1: The Council did not make proper arrangements for approval of the accounts. The accounts for 2022-23 were not submitted for audit until November 2024 and the accounts have not been certified by the RFO or approved by the Council as required by the Accounts and Audit (Wales) Regulations 2014
- Assertion 2: The Council has not retained proper accounting records including retention of supporting documents.

- Assertion 2: The Internal Auditor reported that no evidence was available to demonstrate that the Council had in place a proper system of internal control
- Assertion 3: The Council does not publish on its website the information it is required to publish electronically by the Democracy and Boundary Commission Cymru etc. Act 2013 and the Local Government and Elections (Wales) Act 2021
- Assertion 3: The Council did not operate PAYE as it is required to do under the Income Tax (Earnings and Pensions) Act 2003. Failure to operate PAYE exposes the Council to the risk of fines and/or penalty charges being imposed by HM Revenue and Customs
- Assertion 4: I found no evidence that the Council made arrangements for the public inspection of accounts required by the Public Audit (Wales) Act 2004 and the Accounts and Audit (Wales) Regulations 2014.

### **Arrangements to secure economy, efficiency and effectiveness in use of resources**

I am unable to conclude whether or not the Council has proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources

- I have been unable to complete my audit work due to the lack of records retained by the Council.

### **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

### **Requirement to prepare accounts each year**

The 2004 Act requires the Council to prepare its accounts to 31 March each year. The Council must then approve the accounts by 30 June immediately following the 31 March year end.

While the primary responsibility for the failure to prepare the 2022-23 accounts on a timely basis lies with the former clerk, the Council itself must take responsibility for its failure to ensure the Clerk prepared the accounts.

Further guidance on the 2004 Act's requirements is set out in the One Voice Wales/SLCC Practitioners' Guide and in additional guidance on financial processes prepared by One Voice Wales.

We recommend that the Council familiarises itself with its duties regarding the accounts and ensures that the June agenda each year contains an item to approve the accounts.

There are no further matters I wish to draw to the Council's attention.
